*Physical Therapist*

**Hometown:** Costa Mesa, CA

**Bachelor's Degree:** Georgia State University - Physical Therapy

My name is Juli Woodside. I have been working as a Physical Therapist since 1985 after graduating from Georgia State University. I've worked in multiple settings including Hospitals, Acute Rehab, Pediatrics, Lymphedema, Home Care, and Post-Acute Rehab. All areas have been rewarding and a common theme: helping patients return to their optimal level of health and function.

In my spare time my family enjoys the beach, camping, road trips, cycling and paddle boarding.

I love this opportunity to work with Mobile Therapy Specialists as we provide one-on-one treatment with patients to achieve an optimal level of care.
