Physical Therapist

Hometown: Newport Beach, CA

Bachelor's Degree: Cal State Northridge - Bachelor of Science, Environmental and Occupational Health

Graduate Degree: Cal State Northridge - Master of Physical Therapy
Boston University - Doctor of Physical Therapy

My name is Terry Riker. I have been practicing as a licensed physical therapist since 2000. I started my career at KPT Physical Therapy in Bethesda, Maryland as a staff therapist in an outpatient setting. While at KPT I worked with various patient populations, including post-surgical patients, those with sports injuries, and those suffering from chronic pain. After several years of living in the Washington, DC area my wife and I moved to Orange County, CA.

Upon returning to Southern California, I joined Beach Physicians Medical Group in Huntington Beach as Director of Physical Therapy. I practiced at Beach Physicians for nearly two decades, enjoying the wide variety of patients from the surrounding areas. I specialized in post-operative rehabilitation of the shoulder and knee, and enjoyed working with top surgeons in the area.

In my free time, I enjoy distance running and exercise, but my true passion is automobiles. I have been participating in Land Speed racing for the past 10 years and have raced in several states. I currently hold a Class A license with both the U.S. Mile and Top Speed Racing Associations. I have been married to my beautiful wife Kim for 25 years and we have two wonderful children, Matt and Kate.
